SRS EMPLOYEE UNITED WAY CAMPAIGN RAISES OVER \$2.2 MILLION

AIKEN, S.C., (Oct. 7) – Today, SRS employees celebrated raising over \$2.2 million for area United Way agencies.

Westinghouse Savannah River Company, Bechtel Savannah River Inc., BNFL Savannah River Corporation and BWXT Savannah River Company employees donated a grand total of \$2,229,668 during their annual employee United Way campaign, 111 percent of the \$2,003,003 goal.

“Our employees, either individually or through teamwork, contributed to the success of this campaign. Whether it was picking up a hammer for the United Way’s Project SERVE, Project CARE or Project VISION, or filling out a pledge card, every employee made a difference,” said WSRC President Bob Pedde. “I am very proud that our employees continue to recognize and respond to the needs of our communities.”

Twelve local agencies are designated to receive employee contributions. They are the United Way agencies of Colleton County, Screven County, McDuffie County, Hampton County, Allendale County, Edisto, Midlands, Bamberg County, Edgefield County, Barnwell County, CSRA and Aiken County.

In addition to business unit awards and agency designations at today’s SRS Victory Celebration, several site campaign volunteers were also recognized:
